

No.27/8/2009-M.II
Government of India
Ministry of Mines

New Delhi, 28th May, 2010

To

Shri N. K. Dutta,
Director General(CC)
Geological Survey of India.
27, JL Nehru Road,
KOLKATA – 700 016.

Sub: Implementation of transfer and posting orders.

Sir,

I am directed to refer to my DO letter dated 18.05.2010 and letter dated 03.05.2010 regarding transfer of officers having continuously posted at the same station for ten years.

02. Subsequent to the aforesaid DO dated 18.05.2010, it was expected that the transfer orders should have been issued immediately thereafter so that FSP 2010-11 can be formulated in time. Long delay may cause avoidable problems and I am, therefore, to advise that it may be ensured that all transfers are done by 31.5.2010, after taking into account all objections, and checking the data with regard to application of the transfer policy.

03. From some quarters of GSI the uncertainty about tackling of tenures spent in Nepal and Bhutan and tenure rendered in Group 'B' & 'C' posts before officers were promoted to Group 'A' have been pointed out. In this connection, you are requested that these issues may be resolved at your level and transfer orders be issued by the stipulated date. Keeping in view the availability of budget criteria for transfer may be fixed. These may differ slightly for different streams / grades. However, uniform criteria including total tenure at a station within the stream and within the grade must be applied.

04. It may also happen that consideration of tenure and specialization are different for different streams. Therefore the cut off may be determined for current year.

05. I am further directed to request you that the deadline for issuing transfer orders by 31.05.2010 may be strictly adhered to and it may be ensured that the TTA Budgeting is allocated to the HoD for the purpose so that there is no hand stop in drawing the Transfer Grant.

Yours faithfully,

Sd/-

(Suresh Kishnani)
Director
