SUB: Removal of difficulties which have been arising while making an application for
Prospecting license or Mining lease BY THE PATTADAR IN HIS PATTA LAND under
Chapter IX and under rule 27(1) of the Minerals (Other than Atomic Hydrocarbons

REF: Ministry of mines Notifications Vide G.S.R. 279(c) Dt. 4-3-2016.

R/Sir,

With reference to above cited subject, this is to bring to your kind notice that “Any person claiming to
be the owner of land and desiring to grant a Prospecting license or Mining lease to the said land shall
make an application to the concerned State Government for authorizing grant of Prospecting license
or Mining lease as the case may be.

BUT there is no any specific FORMAT for applying Prospecting license or Mining lease by the pattadar?
Sir, kindly confirm under which FORMAT pattadar shall make an application for grant of Prospecting
license or Mining lease to the State Government. Sir, for the above said difficulties we think that
there is no any single application is submitted by the any single pattadar to the State of Karnataka
because of the above said specific Format difficulties. Whereas, since 12-01-2015 to till date the State
Government of Karnataka is not in a receipt of a single application for grant of PL/ML from the
pattadar under provisions of chapter IX.

Hon’ourable sir, in exercise of the powers confined by sub-section (1) of 24 of the New MMDR, Act-
2015 the central Govt, is hereby make an order for remove the above said difficulties.
Sir, anther one more important point we wish to bring to your kind notice that “Provisions of Section
10B of New MMDR Amendment Act, 2015 what it tells that " GRANT OF MINING LEASE IN RESPECT OF
NOTIFIED MINERALS THROUGH ACTION "only.

BUT at the same time the section 10B (1) tells that provisions section 10B shall not be applicable to
cases “TO LAND IN RESPECT OF WHICH THE MINERALS DO NOT VEST IN THE GOVERNMENT" Sir, what
its meanings? And according to this interpretation why not pattadar shall apply to grant of
prospecting license or mining lease for notified minerals to the concerned State Government and
Whereas State Govt. may grant of prospecting license or mining lease for notified minerals without
notifying the said (patta) land for action.
Respected sir, in the light of the above matter, the Central Government should have take remedial measures through the insertion of transition provisions (for getting Prospecting license or Mining lease in patta land for notified minerals without notifying the said patta land for action) to the Mines and Minerals (Development and Regulation) Amendment Act, 2015. Sir, We are most anticipated for your early reply i.e. kindly let us know the points we raised are correct or not? If yes please provide the solution or remedies at your earliest please.

With due respects.

Subject: Information sought under RTI Act 2005 for receiving of my representation against UPSC Advice.

Sir,

I have sent one representation against UPSC Advice containing about 276 pages Addressed to the Hon'ble Minister, Disciplinary Authority, Ministry of Mines, Govt. of India, Shastri Bhawan, Dr. Rajendra Prasad Road, New Delhi 110001 through the Speed post No. EU 1163945861N and I have intimates by DEPARTMENT OF POST INDIA-SPEED POST CENTRE OF LUCKNOW vide his letter dated 31-5-2018 that it was delivered to the addresses.

However, respondents submitted an application for extension of time for compliance of the order dated 26-9-2017 passed by Hon'ble CAT Lucknow vide M.A. No. 36 of 2018 dated 8-1-2018, in paragraph 4 of that said application it was mentioned that "the representation dated 30-10-2017 sent by the applicant to the competent authority ie The Director General Of Geological Survey of India, 27 J.L Nehru Road Kalkatta-16 which was putup in the legal cell of the department on 8-11-2017 and accordingly the matter is under submission before the competent authority for necessary compliance. (Copy enclosed)

The applicant intimated the Hon'ble CAT Lucknow on date fixed 8-2-2018 and also the respondents in reply of paragraph 1 that "that the facts stated in opposite parties application dated 9-1-2018 is totally irrelevant. No representation dated 30-10-2017 has been made to the Director General, Geological Survey of India against the advice of UPSC for consideration rather it has been submitted to the Disciplinary Authority/Hon'ble Minister, Ministry of Mines, Govt. of India, New Delhi.

The information sought under RTI ACT 2005 is that:

1. That it was in the knowledge and intimated of all the respondents that letter dated 30-10-2017 is not the the representation of the applicant against UPSC advice where as the fact was as mentioned in para 1 above, then how the order No.9/3/1994-M II dated 14th May 2018 has been passed by competent authority on the basis of letter dated 30-10-2017.

2. That why my representation against UPSC Advice submitted to the Hon'ble Minister was not considered.

In re:

Dr. Vishnu Dayal Agrawal Applicant
Versus
Union of India & Others Opposite Parties

Ref: Application dated 9-1-2018 for extension of the time by the Opposite parties.

For the facts, reasons and circumstances as stated in the accompanying affidavit, it is most respectfully prayed as:

1. That the facts stated in the opposite parties application dated 9-1-2018 is totally irrelevant. No representation date 30-9-2017 has been made to the Director General, Geological Survey of India against the advice of UPSC for consideration rather it has been submitted to the Disciplinary Authority/Hon'ble Minister, Ministry of Mines, Govt. of India, New Delhi.

2. That under section 27 of the Administrative tribunal Act, 1985 the order of a Tribunal finally disposing of an application or an appeal shall be final. It therefore, follows that the nexus between the Tribunal and applicant ceases when the application is disposed of by a final judgment/order passed by the tribunal, and the tribunal
disposes of the same by a final judgment/order. In this connection, we may refer to the decision of tribunal in Union of India v Sakti Kumar Ray [CA No. 69 of 1989 in O.A. No. 819/1988, (CAT) Calcutta and also (1991) 16 Administrative tribunal cases 767, (CAT) Calcutta, where same view was taken.

3. In view of above the said application of the opposite parties is not maintainable, irrelevant and liable to be rejected.

(b) That a penalty of 25% cut in monthly pension and pensionary benefits, imposed by the competent authority, has been set aside by the the Hon'ble Tribunal in paragraph (10) of the judgment.
However, in para (10) of the judgment, the applicant was permitted to submit a representation to the competent authority (disciplinary Authority) against the UPSC advice within a period of 15 days. It is also mentioned in para 9(4) of the judgment as:

"(4) The Disciplinary Authority shall consider the representation under sub-rule (2) and/or clause (b) of sub-rule (3), if any submitted by the Government servant and record its findings before proceeding further in the matter as specified in sub-rule (5) & (6)

That the Disciplinary Authority of the deponent is President of India / Hon'ble Minister of Mines and the deponent has already submitted his representation against the advice of UPSC dated 14-12-2011 to the Disciplinary Authority, Hon'ble Minister, Ministry of Mines, Govt. of India, vide dated 6th December 2017 for consideration. Respected Sir,

Kindly give me this privilege to represent and request most humbly to my Disciplinary Authority against the advice of UPSC dated 14-12-2011 in the disciplinary proceedings against the applicant enclosed with the said order mentioned above. The facts are as follows:

1. That I was a permanent employee of the department of Geological Survey of India posted in Northern Region Lucknow as Geophysicist(Sr.), and retired on superannuation on 31st August 2004.

2. That the applicant had proceeded on leave from the Office of Geophysics, GSI, NR, Lucknow 20-10-87 which was duly sanctioned by the Director in charge up to 31-12-87.

3. That during leave the mental state of the applicant was deteriorated and became patient of mental disorder. He remained absent on leave from 1-1-88 to 19-3-98.

That during mental ailment, the applicant was under treatment of renowned specialist Psychiatric doctors as Dr. Harjeet Singh, M.B.B.S., M.D.,(Psychiatry), Professor of Psychiatry Department, Lucknow Government Medical College.
5. The applicant's family and friends took care of submitting, any how, the leave applications in different spells under duty postal receipt.

6. That however, a charge sheet under Rule 14 of CCS (CCA) rule 1965 was issued on 10-8-1994 by the Add. Director General, without the approval of disciplinary authority, which mainly concerns for absence of duty and thereby disciplinary proceedings were initiated against the applicant.

7. That there was no allegations or any charge of any financial loss or financial embezzlement against the applicant.

8. That the applicant joined his duty on 20-3-95 in Geophysics Division, GSI, NR but illegally he was not allowed to work by NR, GSI, authorities, and also no salary was paid to the applicant.

9. That the enquiry report had submitted by the Inquiry Officer which was enclosed to the applicant vide letter dated 01-05-2007 to make any representation or submission to the Director General, GSI.

10. That the applicant submitted his representation against the Inquiry report to the Director General, GSI on 30-5-2007, stating all the facts and requested to be fully exonerated from all the charges by rejecting the I.O. contentions which was based fully on presumptions and assumptions to prove the charge any how.

11. That the GSI authorities as well as UPSC were so prejudiced that they had not considered a single word of my representations dated 30-5-2007.

12. That however, an order on disciplinary proceedings was passed by the competent authority vide No. 9(3)94-M-II dated 25th March 2008, in which neither any penalty was imposed under rule 14 of CCS (CCA) rule nor under rule 9 of the CCS (Pension) rule, but the whole absence of the applicant was treated as unauthorized absence amount to the interruption in service and forfeiture of entire past service for all purposes including pensionary benefits.

13. That the said order was challenged vide O.A. No. 322 in the central Administrative Tribunal Lucknow Bench, Lucknow and the said penalty order was set aside by
ever, the respondent authorities were given a liberty to pass appropriate order a
fresh according to the law.

14. That in response of the said liberty granted by the CAT, Lucknow bench, the
competent authority passed an order No. 661/C-18011/02/2011 Legal of dated
26-12-2011 in which penalty of cut in monthly pension of 25% was proposed on
the basis of advice of UPSC.

15. That the said order was challenged by O.A.No.64 of 2012 in the Central
Administrative Tribunal, Lucknow Bench, Lucknow in which O.A was allowed and
cut in monthly pension of 25% was set aside, by an order dated 26th September
2017 and was made available to the applicant on 26-10-2017. However, the
Hon’ble CAT had permitted (not directed) to make representation against the
UPSC advice to the Disciplinary authority. It was obligatory on the part of the
applicant to apprise to his disciplinary authority regarding all the facts. The copy
of the the order of Hon’ble CAT Judgment and Order dated 26.9.2017/26-10-
2017 is Annexed herewith as Annexure No.A.1.

16. That in view of above it was the prime responsibility of the applicant to apprise
all the facts in the knowledge of Hon’ble Disciplinary Authority and to make
representation against the advice of UPSC. The said representation against
UPSC advice is enclosed herewith as Annexure No.A.2.

17. That the applicant was willing to submit the said representation much earlier but
because of his wife is suffering in the said period with the Cancer and was
fighting from life to death. Though she was operated and radiotherapy has been
advised, but still she is under critical treatment. That has caused the delay in
submitting this representation. In view of that the applicant request to condone
the delay in submitting the representation. The treatment of cancer of his wife
is enclosed in Annexure No.3 with this representation.

18. That the applicant had spent his whole youth in the service of the department
with full honesty and devotion. His work was not appreciated in India but in

The applicant retired on superannuation on 31st August 2004 and was not given even the provisional pension. The applicant is running from post to pillar to get his pensionary benefits for his survival at the age of 76 years. The applicant pray to his Disciplinary Authority for his kind help to get his pensionary benefits and also applauds for the lapses, if any, on the applicant's part which was beyond his control and also he and his family suffered a lot and was in starving condition because of his mental disorder. The applicant was not having any financial allegations throughout his service carrier rather was always considered a very honest and efficient employee of department.

I pray and hope to the Disciplinary Authority, that I may kindly be excused for any fault on my part.

Thanking you, sir,

No. 322/2008 dated 16-12-2009 and also as per Judgment of Hon'ble Tribunal dated 26th September 2017 in O.A. No.64/2012 for period of 'Dies-Non' in case of Dr. V.D. Agrawal Vs U.O.I. & Ors.
Sir,

With reference to the above, I have to submit that my service book has not been yet corrected and the necessary corrective entries have not yet been made in the service book consequent upon the final orders and judgments passed by the Hon'ble C.A.T. Lucknow Bench dated 16th December 2009 and dated 26th September 2017 in O.A. 322/2008 and O.A. 64/2012, the certified copies of which orders have already been supplied and served all of you.

The entries regarding dies-non period need to be deleted w.e.f.01-01-88 to 21-7-1999 by suitable entries/regularizing the period in its place.

It is a well settled law that any order of punishment on an employee is not effective with retrospective effect and it becomes effective only from and after the date of passing the order prospectively. Past orders of punishment etc. all have been set aside by the successive orders and judgments passed by the Hon'ble C.A.T. Lucknow Bench as cited above.

The recent order passed by the competent authority regarding punishment has been challenged in a fresh O.A No. 00429/2018 before the CAT Lucknow Bench.

WHEREFORE, you are requested to pass an order for immediate correction and making of corrective entries in the service book as regards dies-non period w.e.f.1-1-88 to 21-7-1999 failing which another O.A may be filed in the court for this purpose.

Yours Faithfully

Sub.: Request for intervening for redressal of grievance cases pertaining to the employees of GSI - reg.

Respected Sir,

With due regard and humble submission, your kind attention is invited to the following grievances of the employees of Geological Survey of India, being the responsible representative of Geological Survey of India Employees’ Sangh (No. 1 recognized service organization) and, most importantly as Central Govt. Employees, to ventilate our deepest concern of the burning issues that remain unaddressed even after repeated request to the concerned authorities in appropriate forum.

1. **Departmental Council under JCM forum.** So many agendas have not been resolved in the Office Council meeting under JCM tier. However, the agendas which are under the purview of Ministry of Mines may be redressed in the Department Council meeting under JCM tier.

2. **Retention of existing eligibility criteria regarding residency period for promotion in accordance with the DOPT OM No. AB-14017/48/2010-Estt.(RR) dt. 31/12/2010.** The same was not incorporated while framing the new RR of Non-Gazetted posts in the year 2013. There is a clear guidelines that "Where the eligibility service for promotion prescribed in the existing rules is being enhanced (to be in conformity with the guidelines issued by this Department) and the change is likely to affect adversely some persons holding the feeder grade posts on regular basis, a note to the effect that the eligibility service shall continue to be the same for persons holding the feeder grade posts on regular basis on the date of notification of the revised rules, could be included as a saving clause in the revised rules." vide above DOPT OM.
